Bring Tom Sawyer to your classroom!

Win Twain Books!

Mark Twain wrote *The Adventures of Tom Sawyer* to take adults back to the time of their youth. However, he dedicated it “mainly for the entertainment of boys and girls”.

For over 100 years the Mark Twain Cave has been offering guest of all ages the chance to relive this great American adventure. But we know that the only way to keep the adventure alive is to ensure that this book is available to all boys and girls. We also realize the tough economic times facing schools today may make that difficult, that’s why we’re offering this exciting opportunity...

Every week from September through May the Mark Twain Cave will award one classroom with 30 copies of “The Adventures of Tom Sawyer”! It’s simple and there is no catch, it’s just our way of helping you keep Twain alive!

Simply fill out the form below and mail, fax or email it to us and you’re entered to win. All winners will be notified and books can be picked up at the cave or we will mail them out to you.
